

## Boccole EVO

Dalle necessità dei nostri clienti è nata la nuova boccola B.EVO, un prodotto innovativo in grado di soddisfare i bisogni del cliente più esigente. Questa speciale boccola è stata studiata per avere una maggiore durata e un minor coefficiente di attrito. La speciale combinazione di più trattamenti specifici la rendono straordinariamente resistente all'usura e al grippaggio. Inoltre le speciali cave interne permettono una distribuzione eccellente del grasso che garantisce una lubrificazione continua ed omogenea.
